FlexBilling™

Your Hotel Offers Guests a Variety of Business Services.

You Need a Flexible Billing System that Works for You and Your Guests.

Guest Ease-of-Use

Many guests are uncomfortable with having to swipe a credit card to obtain services labelled as "Free". With FlexBilling, guests only use credit card when paid services are accessed.

Multiple Billing Options

Guests can choose from a variety of payment methods: credit card, charge-to-room, or pre-paid card.

Share Revenue

Hotels can use this flexible billing system to generate additional revenue from premium services.

Prevent Abuse

Allows hotel to prevent non-guests from abusing printer capabilities or "camping" on a computer.

FlexBilling™

Features

No Credit Card Required to Start
Guests only need to provide credit card information when paid services are used

Charge for Select Services
Hotels can offer certain services for free, while charging for other services (e.g. free internet + paid printing)

Set Usage Limits for Services
(e.g. Set time limit for free internet access or page limit for free printing jobs)

Simplified Billing
For paid services, hotels can charge by the minute, rather than by block of time

Benefits to Hotel

No Capital Outlay and No Cost of Maintenance
VSi provides turnkey solution that includes software, hardware, warranty and 24/7 support

Personal Data Security & Privacy
At end of each session, computer is reset to factory settings, and all user data, as well as any virus, worm, or other malware is completely removed from the system

Minimal Hotel Staff Involvement
VSi provides a live 24/7/365 help desk that monitors all equipment for optimum performance, and come standard with full hardware warranty

Revenue Share
Hotel generates additional revenue from premium services
