# BoardEZ™/BoardEZPlus™

Enable guests to check flight status, print airline boarding passes, book new flights, or change seating assignments - quickly and easily.

Features

VSi provides a complete turnkey solution that includes hardware, software, and support

- System is accessible 24/7

- Unmatched security with our proprietary *FreshStart™* software and system architecture that erases all existing files, personal data, and usage history every time a user logs out

- 22-inch or larger screen size that allows for hotel branding

- Access available either free-of-charge or by credit card

BoardEZPlus™ : Airline boarding pass printing and flight status, on PC
BoardEZ™ : Airline boarding pass printing only, on iMac
