vInspect™

Mobile Housekeeping Solution with Real-Time Reporting for Smart Decision-Making.

Ask yourself...

- Are paper forms *still* being used in your housekeeping department for room inspections?

- When was the last time you reviewed a trend analysis that detailed your problem areas in real-time?

- Are you satisfied with your current room cleanliness scoring oversight?

- What prevents you from taking immediate, corrective actions *now*?

- *Is it time to consider VSi's vInspect™ mobile solution?*
